UNIT NUMBER

## CERTIFICATE OF COMPLETION

1. Pursuant to authority contained in Section 1 of Part A of the Declaration of Covenants, Reservations, Restrictions and Easements for Coolidge, the Coolidge Homeowners' Association hereby certifies that the structure previously approved for construction has been completed to its satisfaction.
2. This Certificate of Completion signifies only that the structure as built complies with the Design Guideline Drawings and the approved plans, but in no way implies any review or certification of structural, code compliance or engineering aspects of the construction project. The Applicant is responsible for obtaining the occupancy permit required by the Town of Lincoln before the structure may be used for habitation.
